

National In-Country Value Program

National ICV Program Objectives

OBJECTIVE

Improve economic performance and support local industries by redirecting a higher portion of procurement spending into the national economy.

IMPACT

Incentives

Contractual advantages with the participating entities and government authorities

Opportunity to promote local companies and introduce their products and the quality of their services

Increasing the opportunity for local companies to enter international partnerships

Entrepreneurs and SMEs will have greater opportunities for growth by virtue of the localization of value chains

Increased demand for local products & services

Competitive advantages, such as financing incentives

Certification Process

Pre-requisite

Registration with NAFIS is a prerequisite for obtaining the ICV certification

2

Issue IFRS compliant audited financial statements

ICV Certification process

Complete an online application process through:
https://icv.moiat.gov.ae

Verification through one of the authorized ICV certifying bodies
