

## Issue Product Status Statement for Drones

### Introduction

Ministry of Industry and Advanced technology is happy to announce the launch of new Issue Product Status Statement for Drones system. You can still access the old system at <https://eservices.esma.gov.ae> to continue following up old applications. For new applications, please access the new system at <https://eservices.moiat.gov.ae>.

### Steps to register in the new system:

1. Access <https://eservices.moiat.gov.ae>
2. When asked to login, if you don't have a user, please create a new one by clicking on Register Now and register a new user. After user is activated, you can proceed to submit the application:

## Issue Product Status Statement for Drones

- Once your account is activated, access <https://eservices.moiat.gov.ae> again to start the service and login with your credentials. Scroll down to the Drones section, and start the Issue Product Status Statement for Drones service:

The screenshot shows the MOIAT e-services portal interface. On the left, there is a navigation menu with categories: National Accreditation Services, Conformity Services, Metrology, Standards, Vehicle Verification, and Product Label Card. Under National Accreditation Services, there are sub-items: Registration, Pre-Registration, Halal, Notification, and Accreditation. Under Conformity Services, there are sub-items: MANAA, Drones (highlighted with a red arrow), and Made In The Emirates. The main content area displays a list of services. The first service is 'Issue Product Status Statement for Drones' with a 'DRONE LOC' icon, a 'Start' button (highlighted with a red arrow), and a 'View' button. Other services include 'Issue Product Label Card for Drones' (DRONE LABEL), 'Drone Manufacturer/Distributor To POS Ownership Transfer' (DRONE SELL), 'Drone POS to Buyer Ownership Transfer' (POS TO BUYER), and 'Drone Seller To Buyer Ownership Transfer' (Buyer To Seller). Each service card has a 'Start' and 'View' button, and a heart icon for favorites.

- On the create profile page, select a profile type to create profile with and click on create new profile.

The screenshot shows a 'Select Profile Type' dialog box. At the top, it says 'Select Profile Type' with a close button (X). Below this, there is an information icon (i) and a message: 'Before applying for this service, you need to create a profile, please choose profile type.' Below the message, there are three radio button options: 'Factory/Distributor Profile', 'Drones Professional Company', and 'Individual Profile'. At the bottom right, there are two buttons: 'Cancel' and 'Create Profile'.
